### Summary:

This deliverable presents the Mentoring agreement, which has to be signed by the second-ee and the two supervisors, i.e. the supervisor from the home institution (hereafter called: 1<sup>st</sup> advisor) and the supervisor from the host institution (hereafter called: 2<sup>nd</sup> advisor). With this agreement, it is guaranteed that both advisors are competent and willing to (i) provide intellectual input into the research project, and (ii) offer lab space for the research to be performed within the framework of the PLATYPUS project.

## MENTORING AGREEMENT

2nd advisor

[Click here to enter the name of the 2<sup>nd</sup> advisor.](#)

a Mentoring Agreement is hereby being entered upon. This Agreement serves to supervise and support ESRs by making clear the rights and obligations of ESRs and advisors. The individual work and living conditions of the ESRs are to be taken into consideration in terms of equal opportunity and the ease of balancing family obligations and a scholarly career.

With their signatures, [Wählen Sie ein Element aus. Enter name of ESR](#) and [Enter name of advisors](#) pledge to adhere to the principles of good scientific practice (as documented e.g. at [http://www.dfg.de/en/research\\_funding/principles\\_dfg\\_funding/good\\_scientific\\_practice/](http://www.dfg.de/en/research_funding/principles_dfg_funding/good_scientific_practice/)).

One copy of the Mentoring Agreement shall remain with the advisors and the ESR respectively; one copy shall be placed in the files of the PLATYPUS coordinator.

### 1. SECONDMENT AND MENTORING

During the secondment, [Wählen Sie ein Element aus. Name of ESR](#) will work on [Enter the title of the work package](#). A work plan and time schedule for the completion of the work package of [Name of DC](#) was discussed with [Enter name of advisors](#) and the project was deemed realistic by them within the proposed timeframe.

[Enter name of advisors](#) and [Wählen Sie ein Element aus. Name of ESR](#) pledge to discuss at least once every week the state of progress and possible difficulties pertaining to the project. Should the goals outlined in the Mentoring Agreement not be attainable (e.g., due to academic or personal reasons), the work plan and schedule will be reviewed for possible updates. Substantive changes can be made, with mutual consent, at any time and have to be documented by all parties.

In the event of a conflict, other advisors of the PLATYPUS-consortium or the ombudsman of [Wählen Sie ein Element aus.](#) are also available as contact persons.

## 2. QUALIFICATION

Qualification measures with subject-area related or transferable components are recommended. The advisors will call the attention of the ESR to the course program of [Wählen Sie ein Element aus.](#) and, where applicable, will recommend participation in appropriate courses. [Wählen Sie ein Element aus.](#) Name of ESR declares that [Wählen Sie ein Element aus.](#) is willing and able to participate in appropriate events.
